

How long is the warranty period for a home solar integrated unit

How long is a solar panel warranty?

Solar panel warranties vary depending on the manufacturer, but in the solar industry, a 10-year product warranty and a 25-year performance warranty are typically considered the minimum standard. However, some manufacturers provide a 25-year product warranty and extend the performance warranty to 30 years. How Much Does a Solar Panel Warranty Cost?

What warranties does a solar system have?

Today, most home solar energy systems include three primary coverages: product warranties, performance guarantees, and installation warranties. 1. Product warranties A solar product warranty covers the physical components of your system, such as the panels, inverters, or batteries.

Do solar panel warranties cover everything?

While solar panel warranties offer some solid protections, they don't cover everything. It's important to read the fine print and understand what's excluded from your warranty coverage. Most solar panel warranties won't cover damage or defects caused by:

What is a solar product warranty?

Critically, solar product warranties cover manufacturing defects rather than any issues that arise during or after your installation. For a product warranty to remain valid, a certified solar professional may need to handle, install, and maintain your solar panels, inverters, or batteries. 2. Performance warranties

Should I pay for an extended solar panel warranty?

However, we generally don't recommend paying for an extended panel warranty. In most cases, included warranty coverages are plenty long to protect your equipment through the panel payback period and beyond, which means your solar panel system will be profitable by the time they expire.

What makes a good solar panel performance warranty?

An ideal solar panel performance warranty should include the following conditions: Certain solar manufacturers may even guarantee a degradation rate as low as 0.25% per year, coupled with a performance warranty period of up to 30 years.
